Prof. (Dr.) Narain Gupta is a distinguished faculty of Operations Management area at Management Development Institute, Gurgaon since August 2012. He received his Doctoral Degree FPM (Fellow Programme in Management) from Department of Production and Quantitative Methods of Indian Institute of Management, Ahmedabad, India in year March 2008. He obtained Master of Technology from Department of Industrial Engineering and Management of Indian Institute of Technology, Kharagpur, India in year 2003. He completed engineering from Department of Mining Engineering of CTAE, Udaipur, India.

He has been a Gold Medalist throughout his education. He accredited multiple meritorious awards for the First Rank in Engineering in the State of Rajasthan. He has a US Copyright for an Optimization based Decision Support System. His company Global eProcure obtained a US Patent on his name for one algorithm developed by him for Auto-Classification of Spend-Data Visibility. He has five years of rich corporate experience of people management, driving multiple initiatives towards studying and improving process efficiency. He started his corporate career as a senior consultant from a procurement consulting company headquartered in USA. He worked on multiple international consulting assignments for Kellogg's, Starwood Hotels, etc in the area of Strategic Sourcing and Spend Analytics. Later, he joined **A P Moller Maersk**, the largest logistics and shipping company in the world, headquartered at Denmark. He joined the procurement offshore centre of Maersk Procurement as a Senior Business Analyst. Basis his innovative ideas on

managing the offshore centre and procurement services he gained three promotions in a duration of 2 years.

During his stint at Maersk, he led multiple initiatives to improve the existing processes to enhance customer satisfaction. He guided an employee on a GREEN BELT project to accomplish significant reduction in turnaround time to stakeholders, and improving the customer satisfaction score. He was heading six different teams with 20 analysts in Procurement Analytics including Market Research, Spend Management, Presentations, Computer Systems, Contracts, and Data Analytics.

He has travelled to multiple countries including USA, Denmark, China, UAE, Singapore, etc. for teaching, training, consulting, and conference presentations. He has taught at Indian Institute of Management, Ahmedabad; SP Jain, Dubai; IIMM, Pune; and MDI, Gurgaon. He has taught courses on Operations Research and Quantitative Methods, Operations Management, Six Sigma Quality Control, etc. He teaches Business Statistics, Decision Sciences, and Services Operations Management at MDI, Gurgaon.

He has conducted training programmes for IOCL, and DRDO organizations on general management. He has been imparting training sessions to different organizations including IOCL, DRDO, BEL, ONGC with Overseas components, etc. The training offered by him includes Competitive Benchmarking, Problem Solving Tools and Techniques, Supply Chain Management, Process Optimization, Operations Management and Inventory Control.

He has published in national and international journals, and presented his research in international conferences. His research expertise is Strategic Integrated Supply Chain Planning, Decision Support System, Mathematical Modeling, Process Optimization, Procurement Analytics, Strategic Sourcing, etc. His extended research interests are Revenue Optimization, Project Management, Services Operations Management, Etc.

TIME SCHEDULE AND COURSE OUTLINE

Fill in time of teaching, the subject of each day, references to the readings and if there are any assignments

Date	Subject	References	Assignments
Module A: Statistical Methods and Data Analysis			
Week 1			
Thu: 09:00 - 13:00	Overview of the Course: <ul style="list-style-type: none"> • Introduction to Business Analytics • One Ungrouped data (Descriptive Statistics numerical on the board) • One grouped data (descriptive statistics on the 	<ul style="list-style-type: none"> • Ch 1-3 from Levin and Rubin • Ch 1-3 from ASW (Stats) • Ch 1-3 from KAN Black • (45 minutes practice) 	Numerical applications from statistical book and distributed notes

	board) • Descriptive Statistics in Excel		
Fri: 09:00 - 13:00	Data Patterns and Statistical Analysis • Probability Distributions (Normal, Uniform) • CLT and Inferential Statistics • Demand Forecasting Methods • Distributions in Excel, Solving Problems using Excel	<ul style="list-style-type: none"> • Ch 4-6 from Levin and Rubin • Ch 4-6 from ASW • Ch 4-6 from KAN Black • (45 minutes practice) 	Numerical applications from statistical book and distributed notes. HBR/Ivey Tong Yang Cement
Mon: 09:00 – 13:00	Quality Tools: • Total Quality Management • Pareto Analysis • Bottleneck Analysis • Six Sigma • Lean Manufacturing • Process Analysis • Services Expansion	<ul style="list-style-type: none"> • Introduction to VBA • 45 minutes excel practice 	HBR/Ivey Shouldice Hospital Case
Module B: Decision Analysis Techniques			
Tue: 09:00 – 13:00	Waiting Line and Extend Simulation	Ch 14 – Metters Ch 11 – ASW (Management Scientist Software) Extend Software Download from Web	HBR/Ivey Manzana Case
Wed: 09:00 – 13:30	Multi Criteria Decision Making • Scoring Method • Facility location numerical methods • Regression method	Ch 16 – Metters Facility Location Chapter	Small case/problems to be distributed in the class/ Icare Hospital
Week 2			
Thu: 09:00 – 13:30	Inventory Control • News Vendor Problem • Butler Inventory	Ch 12-13 Metters (45 minutes practice)	Small Case: to be distributed in the class

	Simulation using Excel • Revenue Management, EMSR, Seat Allocation		
Fri: 09:00 – 13:00	Prepare Case (Long Wang Sha Tan Ku) and Software Practice	Self Learning	Management Scientist, Extend Sim
Mon: 09:00 – 13:00	Procurement Analytics • Spend management exercise, taxonomies, UNSPSC, eOTD, eClass • Market Research, and Research databases • Supplier Analysis • Supplier listing • Rfx process and analysis • TCO/TVO Concept • eSourcing, Auctions	Notes to be distributed during the class Excel Practice (Data Table Feature)	Exercises to be distributed in the class/ Youreka Hotel, Amritsar
Tue: 09:00 – 13:00	Capacity Planning and Scheduling	Chapter from Chase-Jacob (To be distributed) Excel Working	HBR/Ivey Long Wang Sha Tan Ku Case/ Shouldice Hospital
Module C: Optimization			
Wed: 09:00 – 13:30	Optimization Module • Introduction to Optimization • Graphical Method of Solving the Problem • Solving problems using Excel Solver	• Ch 1-3, ASW (Management Science, Textbook) • (45 minutes excel practice)	Numerical applications from textbook and distributed notes
Week 3			
Thu: 09:00 – 13:30	LP Applications (Media planning, portfolio management, etc)	• Ch 4, ASW (Management Science Textbook) • (45 minutes excel	Numerical applications from statistical book and distributed notes

		practice)	
Fri: 09:00 – 13:00	LP Larger Applications Revenue Management, Finance, etc. Excel Practice Introduction to www.ampl.com	<ul style="list-style-type: none"> Ch 5-7, ASW (Textbook) (45 minutes practice) 	HBR/Ivey Designing optimal capacity Planning Case, solving using solver Oil Blending UAE case
Mon: 09:00 – 13:30	Project Preparation by Groups	Self Learning	
Tue: 09:00 – 13:00	Project Management <ul style="list-style-type: none"> CPM and PERT Activity crashing Casino profitability case 	Ch 9 – ASW (Management Scientist) Introduction to MS project	Small cases on CPM
Wed: 09:00 – 13:00	Project Presentation		
Week 4: Exam Preparation			

MANAGEMENT CASES

Product Number	Product Title	Author(s)
692015-PDF-ENG Harvard	Manzana Insurance: Fruitvale Branch (Abridged)	Steven C. Wheelwright
683068-PDF-ENG Harvard	Shouldice Hospital Limited	James Heskett
673057-PDF-ENG Harvard	Benihana of Tokyo	W. Earl Sasser Jr., John R. Klug
908D03-PDF-ENG Richard Ivey	Designing Optimal Capacity Planning Strategies	Owen Hall, Charles McPeak
GS14B-PDF-ENG Stanford (Harvard)	Tong Yang Cement (B): Logistics and Incentives	Seungjin Whang, Hau Lee, Mark Leslie, Glen Schmidt
909E08 Richard Ivey	Long Wang Sha Tan Ku (Dragon King Shorts Company)	Anna Galica, Vincent Fung, Lothair Ling, Pik-Kei Osburga Chan
9B14D013 Richard Ivey	Youreka Hotel, Amritsar	Shikha Aggarwal, Narain Gupta, Gita Bajaj
